ABOUT ME

I am an IT graduate with a strong interest in working within the banking sector, particularly in IT Operations and Technical Support roles. Through my internship experience, I learned how to handle system issues, assist teams, and maintain smooth technical workflows. I am disciplined, reliable, and motivated to contribute to secure and efficient IT environments. I aim to grow my career in a professional banking environment where I can apply my skills and continue learning.

HARD SKILLS

- User ID Management (Creation, Reset, Modification, Roles & Approvals)
- EOD Batch Processing & Job Monitoring (Flexcube)
- Core Banking Systems: IRIS
- Digital Banking Platforms: Prism

SOFT SKILLS

- Leadership
- Active Learning
- Flexibility
- Collaboration

PROFESSIONAL EXPERIENCE
